

Repair to shaded areas varies greatly according to vehicle model and extent of damage. Please speak to a technician to determine your specific vehicle needs.

The FAX about **ALL DENT**

ALL DENT can repair most dents and dings using **PAINTLESS DENT REMOVAL (PDR)** at a 1/2 the cost of conventional auto bodywork!

The **ALL DENT** System:

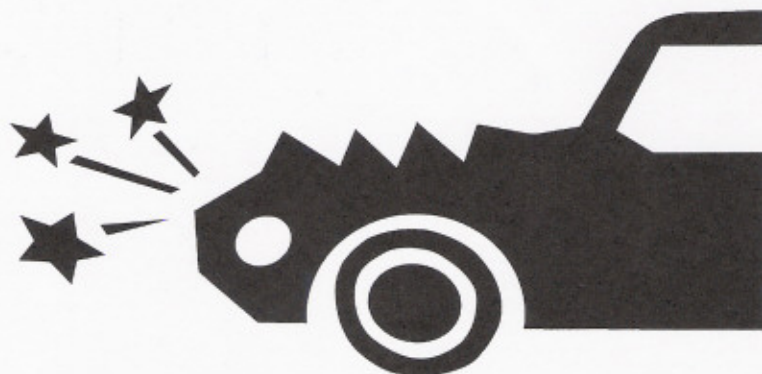

- Paintless - no putty or fillers used
- Fast - usually while you wait
- Inexpensive - repairs starting under \$99.00
- Factory paint remains the same
- Does not reduce the value of your vehicle
- Mobile service available

Not all damage is 100% correctable. Please call **ALL DENT** for a detailed estimate or additional information at:

1-804-873-3368

ALL DENT Can Repair:

- Dents, dings, creases
- Hail and acorn damage
- Any car or truck to manufacturers' guidelines
